The program is a community program designed for youth who are interested in a career in law enforcement or criminal justice. Our program provides the opportunity for youth to

learn about the many fascinating aspects of the criminal justice system. Our goal is to expand basic understanding of the real world of law enforcement, while instilling the basic tenants of civic responsibility.

The program is sponsored by the Broward Sheriff's Office and local municipalities we serve. The program goals are designed to develop character in young adults by exposing them to various experiences in the work place, community service, citizenship and personal fitness.
